Conservation and Attractions

Turtle Watching Code of Conduct

NO GLOW: Nesting turtles and hatchlings are easily disturbed by lights, use the moon to light your way.

MOVE SLOW: To avoid disturbing turtles, walk along the water's edge.

STAY LOW: Out of sight of nesting turtles – sit, crouch or lie in the sand.

LET THEM FLOW: Let hatchlings make their own way to the ocean, they take an Imprint of that beach so they can return to the same area when they are ready to mate and lay eggs. Try not to get between hatchlings and the water's edge.
