

CABLE BEACH COMMUNITY TURTLE MONITORING PROGRAM

Interested in learning about sea turtles and monitoring turtle activity on Cable Beach, Broome?

VOLUNTEER OPPORTUNITY

Turtles nest on Cable Beach annually between October-March. During this time volunteers monitor turtle activity across three sectors on Cable Beach from 1 November to 28 February.

Positions available:

- 2 sector leaders (4 months)
- 60 volunteer positions (4 months)

Register via the link attached to this post

For more information and to register your interest for the sector leader positions please contact Jesse Kelly at jesse.kelly@dbca.wa.gov.au
