

WELCOME TO BEAGLE BAY COMMUNITY

Beagle Bay Community is introducing a Community Entry Fee.

From 15th April 2024 visitors to the community will be required to pay \$15 each, children under 10 can enter Beagle Bay for free. The community corporation, Beagle Bay Futures Indigenous Corporation (BBFIC), has introduced this fee to generate an income to be used to create jobs and opportunities in Beagle Bay.

Without the entry fee the community has no income and no way to meet its obligations to maintain the public toilet built by Kimberly Development Commission for the use of visitors to Beagle Bay.

BBFIC is run by a volunteer board. The board and the community have dreams and goals to create economic activity and jobs by developing businesses including tourism and hospitality as well as managing and creating services and programs run in the community. The income from the entry fee will allow BBFIC to employ someone to support the work of the board and make these goals and plans progress.

Beagle Bay visitor wrist bands can be purchased from the community office, Beagle Bay Store or the Broome Visitor Centre. Online payment will be available soon.

Thank you for supporting the Beagle Bay Community.
